 - Open domestic market : K-quarantine consultation meeting between the relationships of distributors and medical equipment MD and multi-use facilities
 - Opening a new market : a docent tour that promotes brands and products to key buyers at home and abroad
- ③ Simultaneously holding industry fairs to enhance the synergy effect of the fair
 - Simultaneous events : **Online K-Safety Expo 2020, Consultation on the purchase of innovative technology in Korea, Korea Construction & International Safety EXPO 2020**

✓ K-Quarantine EXPO 2020 Business Program Information

Export Consultation (online)

It provides 1:1 online export consultation between invited overseas buyers and participating companies through strict verification procedures such as purchasing power and level of interest. Currently, 129 KOTRA foreign trade centers in 84 countries are being promoted to participate in the exhibition and receiving applications from buyers. If you use the video conference room at the fair with KINTEX and the Chairman, there will be inter pretor present at the conference.

Invited buyers: Foreign disease-related ministries, global KOTRA network, overseas medical devices and diagnostic kit distributors, etc.

VIP Docent Tour

Invite key buyers from national and abroad to the fair to conduct the docent tour. We can promote the brands and products of participating companies to the buyers who are in demand, such as embassy officials and multi-use facility officials.

Invited buyers : Foreign embassy officials in Korea, disaster management agency officials, distributor MD, etc.
